Friday 16th June

Dear Parent/carer

I just wanted to write and thank you for your continued support during a difficult year and wish everyone who is recovering from Covid a speedy recovery. We are hopeful that school will look a lot normal in September but government have not as yet issued any further guidance for schools.

Here is some need to know information for the new school year:

- All children will move into their new class on Thursday 2nd September.
- **School will open for all classes at 8.40am. There will be a 15-minute window in which to bring your child to school to avoid congestion at the school gates, which will close at 8.55am.**
- All children will be provided with a breakfast bagel as part of our free breakfast programme
- Breakfast Club and Teatime Club will restart on Monday 6th September. Further information to follow will be posted on the school website.
- Every child needs to wear a full school uniform from September as outlined on the school website, and no jewellery is allowed except stud earrings. Please label all of your child's clothing so it can be identified.
- Each child will need to bring a water bottle to school every day.
- All children are to be collected at 3:15pm but will have designated areas. Reception and Year 1 leave school on the infant yard. All other classes leave from the Junior yard.
- PE Kits will need to be brought into school in a labelled bag.

All children will move into their new classes in the first week of term on Thursday 2nd September for two days transition in their new class. Thank you for your continued support and please do not hesitate to contact me or Mr Blake if you require any further information.

Have a great summer everyone and stay safe.

Kind Regards

Mrs Richardson
